

# WHO IS ELIGIBLE?

COVID-19 vaccine appointments for children 5-11 years old are available to be booked on the Provincial system

All Ontarians (born in 2016 or earlier) are eligible to get vaccinated.

Residents without health cards will be vaccinated but government-issued ID (can be foreign or expired) is needed.

The vaccine is free and the use of Pediatric Pfizer-BioNTech was authorized by Health Canada on November 19, 2021.

If you or your child has questions, please call the Provincial Vaccine Confidence Line that can be accessed by calling the Provincial Vaccine Contact Centre at 1-833-943-4900
