About the Session

Join us for an interactive session on how to strengthen your organization's digital presence and explore how everyday AI tools can support your communications work. We'll break down the basics of digital engagement, look at what AI can (and can't) do, and try out simple tools like ChatGPT and Canva's AI features.

Special Guest

Carol Shatananda- Richard

Manager of Communications -
North York Community House

Carol Shatananda-Richard is a non-profit communications professional and the Manager of Communications at North York Community House. With experience in both nonprofit and for-profit sectors—including community, development, and arts organizations—Carol brings a thoughtful, strategic, and people-first approach to her work. She believes courageous communications are key to driving social and systemic change and is committed to showing up with authenticity, compassion, and a deep belief in the power of the community.
